PROFESSIONAL SUMMARY

Results-driven Certified Digital Marketing Specialist with **6.5+** years of experience orchestrating high-ROI, data-backed digital strategies across e-commerce, healthcare, telecom, education, and real estate sectors. Proven expertise in managing large-scale annual ad budgets (**₹12 Cr+**) and leading cross-functional teams to deliver measurable business growth.

Highly proficient in end-to-end performance marketing and multi-channel paid advertising, including: **Google, Meta, LinkedIn, X, Bing, Adroll, Propeller**, and more covering different types of campaigns like Search, Display, Video, PMax, Demand Gen, Awareness, Traffic, Engagement, Leads, Sales campaigns

Adept at bridging technical and creative domains, with hands-on experience in web **development** (CMS & Custom), advanced **SEO** (technical, on&off-page), and deep data analysis. Skilled in designing and executing multi-touch marketing **automation** workflows (Email, SMS, WhatsApp) and comprehensive market research to optimize the entire customer journey. Transforming **analytics** into actionable strategies to improve ROI, lower acquisition costs, and scale **lead gen**.

WORK EXPERIENCE

FREELANCING

FEB 2026 - PRESENT

Digital Marketing Specialist

- Healthcare Lead Generation:** Spearheaded multi-channel PPC and social media campaigns for hospital clients to drive high-intent patient leads for specialized treatments and overall branding, significantly boosting patient acquisition.
- Educational Student Acquisition:** Designed end-to-end performance marketing funnels for colleges and institutes, utilizing targeted ads across multiple platforms to generate qualified leads and systematically convert them into paid student enrollments.
- Web Development & Automation:** Developed high-converting websites and landing pages, while implementing automated lead-nurturing workflows (Email, SMS, WhatsApp) to streamline the customer journey and improve conversion rates.
- Data Analytics & ROI Optimization:** Managed large-scale ad budgets across Google, Meta, and other platforms, leveraging advanced analytics to continuously refine targeting, reduce Cost Per Acquisition (CPA), and maximize overall ROI.

MANIPAL ACADEMY OF HIGHER EDUCATION

Jul 2024 - Feb 2026

Digital Marketing Specialist

- Performance Marketing & Student Acquisition:** Spearheaded full-funnel paid campaigns across Google (Search, Display, Video, Performance Max, Demand Gen) and Meta (Lead Generation, App Promotion, Sales) to drive high-intent applications for 300+ academic programs. Executed strategies utilizing advanced audience targeting, custom bidding, and A/B testing on creatives to maximize ROI and reduce Cost Per Acquisition (CPA).

Jun 2018 - Feb 2019

UpGrad

Bachelore of Engineering

2013 - 2018

Jain College of Engineering

PUC (10+2)

2011 - 2013

Govt. College Belgaum

SSLC

2011

Bhartesh School Belgaum

WORK EXPERIENCE

- **SEO Strategy:** Directed comprehensive SEO initiatives encompassing technical audits (Core Web Vitals, schema markup, crawlability), on-page optimization, and strategic content planning. Leveraged tools like SEMrush, Ahrefs, and Google Search Console to execute localized and technical SEO strategies, resulting in measurable improvements in organic visibility, keyword rankings, and organic applications.
- **Event Marketing & Cross-Channel Promotion:** Designed and executed targeted digital campaigns to promote university events (webinars, open houses, conferences), leveraging cross-channel strategies and retargeting to maximize registrations and overall engagement.
- **Data Analytics & Funnel Optimization:** Leveraged GA4, Google Tag Manager, and Meta Ads Manager to analyze campaign performance, track user journeys, and continuously optimize funnel conversion rates using data-driven insights and custom reporting.
- **Cross-Functional Collaboration, Market Research & Automation:** Partnered with admissions, content, and design teams to align marketing messaging and conduct competitive digital audits to inform course-specific priorities. Simultaneously implemented automated lead-nurturing workflows (Email, SMS, WhatsApp) to streamline the prospective student journey from initial awareness to final enrollment.

IKONTEL SOLUTIONS

Nov 2023 - Jul 2024

Digital Marketing Lead

- **Performance Marketing & Paid Advertising:** Spearheaded full-funnel paid campaigns (Google, Meta, LinkedIn) to drive global B2B and B2C leads for core tech services like voice-bots, cloud telephony, and omnichannel marketing, consistently optimizing bidding and creatives for maximum ROI.
- **Healthcare Digital Strategy:** Directed targeted lead generation and branding campaigns for a massive portfolio of 50+ hospital and healthcare clients, successfully driving high-intent patient acquisition for specialized treatments including IVF, hair transplants, and aesthetic surgeries.
- **Web Development, Content & SEO:** Led end-to-end website planning and development by deeply analyzing customer needs and structuring user-centric web content. Executed comprehensive SEO strategies and content planning—to boost organic rankings and improve site conversion rates.
- **Cross-Functional Team Leadership:** Managed and mentored a cross-functional team of 12 professionals, bridging the gap between development, design, and marketing teams to ensure the seamless execution of digital projects and client deliverables.

AADME | Digital Marketing Course

Jul 2023 - Oct 2023
